**3<sup>rd</sup> eHealth ecosystem meeting**

**30 September – 1 October 2014, Athens**

The Greek eHealth ecosystem is having its third meeting on September 30-October 1, in Athens. On the first day the focus is on the ongoing consultation for the national eHealth Strategy and on the deployment of eHealth services by key players and stakeholders throughout Greece. The second day will be dedicated to the Greek Thematic Network on Active and Healthy Ageing and its works towards integrated care and chronic disease management.

Join us for an event aiming at the development of synergies that could transform healthcare, promote innovation and boost the economy.

The detailed Agenda and venue of the event will be announced soon.
