

Yellow Card to EOF. Red Card to Risk!

The Safety of Medicines is Everyone's Responsibility

The Safety of Medicines is our fundamental concern. With respect to our ethical and legal obligations, we align with the Health Authorities and encourage Health Care Professionals to complete the special, confidential form of EOF, the "Yellow Card". We strive for Safer Medicines and support every effort undertaken by the Competent Authorities and the Scientific Community for the promotion of Public Health.

Help make medicines safer. Complete the "Yellow Card".
