

Ministerial Decision no Y9/οικ.76818 (GG 2045/B/22.8.2013)

Amendment of the no οικ.110034/15-11-2012 decision of the Minister of Health (GG B' 3035) entitled "Clawback mechanism for 2013".

THE DEPUTY MINISTER OF HEALTH

Taking into account:

(...)

We amend the subparagraph a' of paragraph 1 and paragraph 9 of the no 110034/2012 decision as follows:

1. The budget of pharmaceutical spending for all the social security funds cannot exceed the amount of 2.371 million euros, including VAT, for 2013.

9. This decision will be reviewed periodically to the extent that the target of not exceeding the specified annual budget of pharmaceutical expenditure (which has been set at € 2.371 million including VAT for the year 2013) is achieved for all social security funds and the necessary corrective measures will be taken.

As far as the other provisions are concerned the Ministerial Decision 110034/2012 applies as in force.

This decision should be published in the Government's Gazette.

Athens, August 9 2013

The Deputy Minister of Health

Antonios Bezas
