**Subject: "Request for urgent meeting"**

Dear Minister,

On behalf of the Board of Directors of SFEE, we would like to express our deepest concern, whereas, according to certain information, you are willing to apply a closed budget for medicinal products administered for severe diseases (Law 3816/2010) as well as to impose various other respective measures.

In the context of the spirit and good will and for the avoidance of any surprises as we agreed and also taking into account the pressure put by the financial crisis, we kindly request that you promptly schedule a meeting with the Board of Directors of SFEE so that we can present our suggestions before you proceed with a decision that could endanger the unobstructed access of patients to their treatments and Public Health.

Yours sincerely,

Paschalis Apostolidis  
General Manager of SFEE

Marios Kosmidis  
Vice President of SFEE

Michalis Chimonas  
General Manager
