the Honourable
Mr Dimitrios Kontos
President of EOPYY

CC.: Mr Spyridon-Adonis Georgiadis, Minister of Health

Chalandri, August 23, 2013

Subject: “Payments of EOPYY 2012-2013”

Dear Mr Kontos,

Further to our fruitful meeting held on 29.07.2013, we readdress the crucial issue of the settlement of the outstanding debts of EOPYY to the pharmaceutical companies.

It is rather surprising that the Organisation continues to effect selective settlement of invoices, thus making discriminations among the healthcare providers against the pharmaceutical companies. Particularly in this period, when the companies, in contrast to all other suppliers of the industry, have received almost nothing from EOPYY for the years 2012 - 2013.

In this context we kindly request that you inform us of the manner and the time schedule with which you (i.e. EOPYY) will proceed with the settlement of the outstanding debts to pharmaceutical companies for the years 2012 - 2013, an issue that was raised by the Minister of Health in our most recent meeting.

For all the above reasons, we kindly ask that you personally intervene on the said issue, in order to secure the transparent procedure of the settlement.

Awaiting for your positive response.

Yours sincerely

Konstantinos M. Frouzis
President
